

Acme Pest Management, Inc.
Open Positions For:
Sales & Service Technicians
Email Resumé to: acmepest@acmepestinc.com

Service / Inspection / Sales Technician

Acme Pest Management, Inc., founded in 1956, is celebrating over 63 years serving Northeast Arkansas' termite and pest control needs. Due to our business growth, we are hiring additional termite and pest service / inspection / treatment technicians at our West Memphis and Jonesboro, AR locations. No termite or pest control experience is necessary – we have a complete training platform to get you ready. We offer competitive salary and bonus payouts, comprehensive benefits package, and a friendly / family type of atmosphere in the work place where everyone is important and part of the team.

Qualifications and Experience Desired:

- Must pass drug screen
- Must have clean driving record
- Must have clean felony background record
- Education – high school diploma or GED
- Good communication skills
- Ability to read documents and follow instructions
- Physical ability to perform all daily required duties

Duties and Responsibilities Include but not limited to:

- Service inspections & service on residential and commercial properties
- Complete assigned work in a timely manner
- Maintain company service vehicle
- Maintain company service equipment

Benefits:

- Hourly Compensation with additional Monthly Bonus
- Company Sponsored Healthcare Plan with company co-pay premiums
- IRA with dollar for dollar company match
- Company provided Long-Term Disability Plan
- Vision, Dental, and Life Insurance Options Available
- Paid Vacation and Holidays
- Paid Sick Days
